## Englewood Needs a Good Family Hotel

While Hyde Park is oversupplied with family hotels, accommodations of this sort in Englewood is decidedly limited. What is most needed is a modern, centrally located hotel where accommodations may be secured by couples with small or no families who do not desire to keep house. There are a hundred such couples in Englewood now who would gladly avail themselves of an up-to-date and first class hotel home. Who will build one?

## Preparing Parcels for Mailing

Postmaster Carlile has issued a valuable circular on the proper preparation of parcels for mailing that should be in the hands of every one. Over a million parcels a day are mailed in Chicago and many of them are badly packed, wrapped or misdirected and consequently go astray or are ruined. Ask for this little folder at the postoffice and keep it handy in the house.

## Wage Boosts Not All Clear Profit

Many who have received liberal increases in salary and wages, are disappointed that they save no more than before, and the bank account fails to grow as anticipated. Few people have the backbone to keep expenses down when they have more money in hand, and in many cases it results in extravagances and unjustified expenses that leaves one poorer than before the raise. A family who had been living comfortably on a $100 a month salary can't expect to take many European trips on $125 a month. It is so easy to spend a few hundred extra when you feel that you have the increase back of you, and unfortunately most of us do it, and a yawning deficit is the result. This is the time to economize and cut out unnecessary expenditures, and it is the only way that the H. C. L. will ever be curbed, but most of us will live up to, and a little beyond our income no matter whether it be $100 or $500 a month.

# Luck and Lack

Messages to Seekers of Success

Don't trust to luck. Luck is untrustworthy. Systematic, scientific striving for any goal is far more likely to bring you success than any mere faith in your success.

Just as changing a single letter changes "Luck" to "Lack," so will the reverses of a single day change plenty to want. But you can insure yourself against this by building your success on the habit of saving.

## Save and Win

Be well dressed. Make friends. Increase your influence in your community. Enjoy the respect of all your associates.

These things do not come to those who trust to luck for them. Systematic saving will win them for you. Systematic saving will accumulate for you a small fortune that can safely and readily be expanded to a large one.

Bell System

"A speaker must be clearer than a writer, since a speaker's meaning must be caught at once if at all," says a well-known author.

This fact applies particularly to telephone conversations, largely because the listener cannot see the speaker and catch part of the idea from his facial expression, as is the case in a face-to-face talk. He must depend entirely on the speaker's voice.

In a telephone conversation the best results are obtained by speaking slowly and distinctly and in a normal tone of voice with lips close to but not touching the mouthpiece.

## INVEST YOUR MONEY WISELY

**6%**

The safest forms of investments have always been real estate mortgages secured by farm land. This is proved by the fact that the life insurance companies—the largest investors in the world—prefer farm loans over any other form of security. Producing farm land is better security than city realty. The principal value of city property rests in improvements which sooner or later become antiquated or unsuited to the needs of a changing neighborhood. The unforseen influx of undesirable neighbors adversely affects the value of city real estate. Farm land is free from both of these menaces, for every year shows a steady advance in the average value of farm property. It is this constantly increasing security which makes farm mortgages so desirable. For years we have been making farm mortgages and selling them to conservative investors in Chicago. We collect interest and principal without charge. That we have succeeded in building up a reputation for care and conservatism is apparent from the fact that we now have several hundred customers in Chicago and others in over 20 states.

Send for our Illustrated Booklet describing these safe investments.

### Real Estate Assessments Being Raised

Landlords and owners of their own homes will be somewhat surprised to learn that not content with making the assessments on one-half instead of one-third of the valuations, that the valuations have been greatly boosted this year and in one case nearly doubled on a moderate apartment building. Tax payers will learn that they will pay from 50 per cent to twice the amount of taxes next spring that they did this year. It isn't so difficult to figure why landlords are raising the rents, is it?

E. THOS BEATTY'S E. A. R. THEATRE

Friday, September 5th. George Walsh in "Putting One Over." When Jack Trevor got on that express train, he little thought that when he stepped off of it he would be the heir to many millions and a mental incompetent. Yet that was what they said he was, and as Jack had been unconscious for so long he began to think he really was Horace Barney after all. Then he met Helen Townsend, fiancee of the real Barney, and things began to happen. Also our usual weekly and another new comedy.

Saturday, September 6th. Tom Mix in "Rough Riding Romance." It certainly did take a genius to think up all the stunts which Tom Mix performs in this picture. But what is more to the point, it sure did take a clever actor to do them, and no one can deny Tom's ability in that direction. Danger, romance and adventure—who does not thrill at the sound of such words. The Daredevil of the films at his best. The star and play will more than please you. Also Mutt & Jeff, Burton Holmes and current episode of "The Red Glove."

**In "Rough Riding Romance," Saturday, September 6th**

Sunday, September 7th. Elsie Ferguson in "A Society Exile." From Henry Arthur Jones' celebrated play, "We Can't Be As Bad As All That." Because she scorned a scoundrel, he vowed to ruin her life. Scandal and disgrace were heaped on her head, and at last she was driven from England. But under another name, in Venice, she met and loved the brother of the woman whose death was laid at her door. When he found out—well, you'll remember this picture for a long time! Also Star Comedy and Pictograph.

Monday and Tuesday, September 8th and 9th. Mrs. Charlie Chaplin (Mildred Harris) in her newest and most superb Lois Weber production, "Home and Mother." The story of every girl. The realest, truest and one of the most dramatic photoplays of years played by beautiful Mrs. Charlie Chaplin, the girl who charmed the whole country in "For Husbands Only" and "Borrowed Clothes." A picture staged without regard to expense and directed by Lois Weber, the Belasco of the screen. A photoplay treat that you'll never forget. Every mother must see this picture. The management recommends it as one of the very best pictures of the year. On Tuesday, in conjunction with our regular show we will have the pleasure of presenting for our patrons' approval Dick Green's melody song revue. One show only—at 9:30 P. M.

Wednesday and Thursday, September 10th and 11th. William Farnum in "Wolves of the Night." ## HALSTED THEATRE

Sunday, September 7th. One day only. William Duncan in "Smashing Barriers." "Smashing Barriers" has been written with an effort behind it to make it interesting for man, woman or child. It opens up with the action staged at a big Western college, where Duncan as the hero, wins a great football game for his Varsity team. After a chapter or two, the action jumps to the big open spaces of the West—mountains, lumber camps, etc., where our hero has gone to make his way to fortune for himself. Without any hesitation he qualifies by strength and method as an expert with the axe. Not the skill that is necessary in chopping wood for the furnace does he show off, but instead an ability to chop down a tree in a manner that is seldom known to anyone but a lumberjack or woodchopper in a lumber camp He enters the lumber camp in the first episode with the lumberjacks thinking he is a raw tenderfoot By a show of his skill in many ways and his feats of strength, but particularly by his ability to handle the axe, does he prove his mettle and become one of them.

## SULLIVAN'S SENSE AND NONSENSE

### SECOND THOUGHT

"I am weary of the city
With its hurry and its din,
Its commercialized banditti,
Its makebelieve and sin"
Thus we wrote when we were younger,
When labor had a charm,
And we felt the old land hunger
And yearned to own a farm.

Now the city still annoys us,
In it countless dangers lurk;
But—the task that now employs us
Doesn't call for too much work.
And we love to loaf and frolic,
Of work we've had a gorge,
And we'll leave the life bucolic
To some ambitious George.

Some men would rather lose a friend than a dollar.

The next charitable organization will be for the relief of the man whose automobile has been stolen.

When accused of thinking "he knew it all" Casey answered: "No, mebbe thare do be some things Oi don't know, but I would jist loike to know what they aare."

Leniency of judges in the criminal courts is the greatest criminal making institution in Chicago. Political and other means of "pull" takes all fear of the law from the offenders.

The price of meats at the Stock Yards has fallen about five cents a pound, but the retailers have not found it out as yet. Strange how quickly they learn of an advance in price.

"Going to send your wife to the seashore this season?" "No, I can't afford it." "Why, she isn't extravagant, is she?" "Not in the least but last year while she was away I blew in $400."

I know of a man who takes his neighbor's Englewood Times upstairs to his own apartment to read it every Friday morning and returns it to the mail box in the afternoon. We are sending him a paper free this week and hope he will leave his neighbor's paper alone.

## Englewood High P-T. Assn.

At the meeting held at the home of Mrs. Davidson to discuss plans for next year's work of the E. H. S. P-T. Assn. it was decided to have no outside speakers or talent, but to use that at hand among the parents, teachers and students, thus bringing the three classes together, and to that end have at least one-half hour each meeting for social intercourse when parent and teacher may meet and become acquainted. Refreshments to be served. The first meeting of the year will be held Sept. 11th at 3:15 p. m. and will be a reception to the mothers of new students and the faculty, with Mr. and Mrs. DeButts as guests of honor. It is suggested that the present members wear name cards. There will be music and refreshments and an announcement given of a contest for new members; prizes of money to be given to the rooms having the largest representation in the P-T. Assn. The October meeting will be a discussion of "Shorter School Hours" and "Military Drill" in which both parents and teachers will take part. The November meeting will be "Pupils' Day," with Miss Taylor in charge. In December we would like to have an evening meeting with school talent, and if possible a showing of the film of the school parade. Other topics suggested are: "Suitable Dress for School," with Miss Stockbridge in charge; "School Activies," Mr Lucas; "Honesty in Study," Miss King.

## Dorothy DeWall Dies From Accidental Shooting

Dorothy DeWall, the 15 year old daughter of Mr. and Mrs. Joseph DeWall of 6103 Halsted St., who was accidentally shot by little Francis Carr, a six year old boy who was playing "movie" acting Monday, Aug. 24th, died Saturday. Her funeral occurred from Our Lady of Solace church Tuesday and an immense throng of friends attended the requiem Mass to attest their love for the pretty little victim of the sad accident. Dorothy was an unusually bright, talented girl, proficient in music and accomplished beyond her years, and the sad blow is deeply felt by the bereaved parents, who have the sympathy of the community. The little boy, the innocent cause of the accident, scarcely knows the consequences but his parents are prostrated by it. The revolver with which the shooting was done belonged to a special officer who roomed at the home of the boy at 735 61st St., and no one knows how the boy secured it.

## Dr. Ford Leaves Englewood

Dr. Smith T. Ford and Mrs. Ford have returned from their vacation at Walloon Lake, Mich., where they had a cottage for the summer. On Sunday Dr. Ford will preach both morning and evening, and conduct communion service in the morning, these being his farewell services as pastor of the Englewood Baptist church, as he begins his work as pastor of the First Baptist church of Wheaton, Ill., the following Sunday. On Wednesday evening, Sept. 10 a farewell reception will be tendered Dr. and Mrs. Ford in the parlors of the Englewood Baptist church. There will be an interesting program, including fine music, brief talks, presentation of gifts from the church and other features of interest. This will signalize the close of Dr. Ford's remarkably successful pastorate of nearly fifteen years, during which both he and Mrs. Ford have greatly endeared themselves to the people of this community. The best wishes of their hundreds of friends go with them to their new field of labor.

## Coroner Peter M. Hoffman to Preach

Coroner Hoffman's subject will be "Riots and Murder in Chicago." The coroner will devote a part of his address to the recent race riot in this city during which he held forty inquests over victims of the riot. Rev. R. Keene Ryan is foreman of the coroner's race riot jury investigating the riot. Since Coroner Hoffman assumed the office of coroner of Cook county he has conducted 89,000 inquests over people who died violent deaths in this county. Rev. Ryan wishes it known that he has again resumed Sunday evening services discontinued during August. ## A Card From Mr. Cruden

**To the Voters of the 11th Senatorial District**

Dear Friends: I respectfully submit my candidacy for nomination and election as one of the two delegates from our district to the constitutional convention. Regardless of whether or not you vote and work for me, I feel like suggesting and emphasizing the importance of every public spirited citizen taking part in writing the new constitution. Many states have rewritten their constitutions in the last fifty years, although Illinois has not done so. Chicago has quadrupled in population, commercially and industrially. The city is greatly hampered by constitutional restrictions. Let us have a new constitution that will give Chicago the governmental powers absolutely necessary to enable the city to serve its citizens according to their modern social, industrial, moral and educational needs.

If elected I will serve with the same spirit and zeal I have represented you in the Legislature.

Sincerely yours,
WM. H. CRUDEN,
10204 Wallace St.

Vote for Wm. H. Cruden, Republican Candidate for Delegate to Constitutional Convention, 11th Senatorial District, primary September 10th, election November 4th, 1919. Legislative Voters' League said in 1918: "Mr. Cruden has served the public efficiently in other positions. He is a man of excellent reputation and decided force." William H. Cruden, State Representative in 51st General Assembly, has lived 25 years in the 11th Senatorial District, family consists of wife and 5 children. Was Juvenile Court Officer for Illinois Humane Society 4 years. Chief Inspector, Illinois Employment Agencies, 7 years. Member Civic Fed. Com. to revise laws regarding paroles and adult probation. Appointed by Mayor Harrison on Com. to investigate cause of unemployment. Selected by University of Chicago in 1909 as a member of National Conference on Criminal Law and Criminology. Appointed by Governor Deneen as delegate to International Prison Congress held in Washington, D. C., in 1910. His public work has been indorsed by daily newspaper publishers, clergymen, judges of courts and civic welfare societies. Member of Masonic fraternity, Presbyterian church. Worked in Legislature for revision of revenue laws, reform in court procedure, law enforcement measures, efficiency and economy, laws for improvement State Charitable and Penal institutions, legislation beneficial to the Public School system. Has compiled data and made a study of Constitutions of Illinois and other states, particularly the new Constitutions passed by them.

WM. H. CRUDEN.

## Candidates for Constitutional Convention Delegates

The following is the correct list of candidates to be ballotted for at the primaries Sept. 10th:

Republican: Chester W. Church, Wm. H. Cruden, Percival Baldwin, Geo. M. Tobey and Henry Knauss.

Democratic: Frank J. Walsh, M. K. Sheridan, W. J. McGinness and J. T. Duffy.

Socialist: Henry Gromer and B. O. Beese.

Two are to be nominated by each party.

## Shantung in Chicago

Charles Mylert Carr, an old friend of the Times editor, has located a choice bit of Shantung in Chicago. In the Bamboo Inn under the Ashland Block he spied some chairs and tables of solid ebony which were made in Shantung and did duty for several years in the palace of a mandarin. They are fine specimens of the hand carving and inlaying art.

Another thing Mr. Carr discovered is that the Chinese in Chicago—that is, the Mon Sing Share Society which operates this inn—have solved the labor problem. All the waiters, chefs and other employes are partners in the business. With them it is "Allee happee, no strikee like Melican man." While China is denominated the backward nation, it has remained, strangely enough, for Chinese to introduce organized co-operation and profit-sharing economics into the eating industry of Chicago.
